STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

In reply to the Interview Summary mailed January 10, 2007 and the requirement to file a Statement of the Substance of the Interview, the undersigned submits this Statement.

On December 15, 2007 the undersigned received a telephone call from the Examiner, and the undersigned also spoke with the Examiner on December 19, 2006, and the substance of the conversations concerned the Examiner's suggestion to add some combination of elements of dependent claims 13 and 14 to independent claim 11, which the Examiner indicated in essence would place the application in better condition for allowance. Thereafter on December 20, 2006 the undersigned faxed proposed claim amendments to the Examiner for

consideration. A Notice of Allowance was mailed on January 10, 2007.

The undersigned thanks the Examiner for his time and attention to the subject patent application.

If for any reason this Statement is found to be incomplete, or if at any time it appears that a telephone conference with counsel would help advance prosecution, please telephone the undersigned or his associates, collect in Waltham, Massachusetts at (781) 890-5678.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "T. Thompson", written over a horizontal line.
